

**I Use Reasoning**

ARITHMETIC

Julia is making 2 necklaces. She has some  $\triangle$  and some  $\blacktriangle$ .  
Follow these instructions to draw the 2 necklaces.

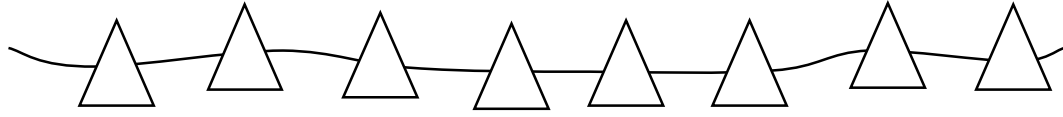

Necklace 1 must

- contain 4  $\triangle$  and 4  $\blacktriangle$
- follow a pattern.

Necklace 2 must

- contain fewer  $\triangle$  than  $\blacktriangle$
- follow a pattern.

1 2 3
